

Children with Down syndrome

bring unique joys to their families & communities. The DSNGG supports those who care for these special children with family events, resource & referral, programs for parents & siblings, and more. See why "we're up About Down's."

DOWN Syndrome Network of Greater Greensboro

We're here
for you.

The Down Syndrome Network of Greater Greensboro (DSNGG) is an organization of parents, families, and friends of persons with Down syndrome throughout Alamance, Caswell, Guilford, Randolph, and Rockingham Counties. We provide a variety of services to help families celebrate the joys and meet the challenges of raising children with Down syndrome. At birth, referred families are contacted by a DSNGG member or the staff of Family Support Network of Central Carolina and offered these services:

- * **An opportunity to be matched with a trained Support Parent who also has a child with Down syndrome**
- * **A Welcome Packet containing books, an informative DVD, a Resource Directory, & much more**
- * **Assistance with enrollment in the N.C. Infant-Toddler Program for early intervention services & support**

DSNGG continues to provide resources and support for families throughout the life span.

Additional Services

- * **PARENT MATCHING:** Meet a trained Support Parent who also has a child with Down syndrome. Matches can be made at the time of diagnosis, or at other times when families need extra support.
- * **MONTHLY MOMS' NIGHT OUT**
- * **GROUP MEETINGS:** Connect with other families 3-4 times per year in a relaxed, supportive atmosphere.
- * **SUMMER POOL PARTY**
- * **INFORMATION** on national & local programs, services, education and employment options, and much more.
- * **SIBSHOPS** program offered through the Family Support Network of Central Carolina for brothers & sisters of kids with special needs, grades 1-6.
- * **ANNUAL BUDDY WALK** raises funds for group activities while also raising awareness about Down syndrome in our community.
